ACE640

6.5" 2-WAY TRIMLESS IN-CEILING SPEAKER PAIR

150W • 8Ω • 40Hz - 20kHz • White

Ordering

Model ACE640 • Sold as a pair (2 speakers) • White, paintable magnetic grille • 10-year warranty

The OSD Audio ACE640 is the trimless version of our popular ICE640 in-ceiling speaker. This 6.5" high-definition pair delivers smooth, detailed music with solid bass, and it disappears into the ceiling - a strong choice for whole-house music, TV sound and home theater surrounds.

High-Definition Ceiling Sound

The trimless version of OSD's popular ICE640 delivers smooth, detailed music with solid 6.5" bass.

Fiberglass Woofer, Pivoting Titanium Tweeter

A 6.5" fiberglass cone stays stiff for clean bass and mids, while the 1" pivoting titanium dome tweeter aims highs toward your seat.

Secure Connections

Gold-plated 5-way binding posts accept bare wire, pins, spades or banana plugs for a solid, corrosion-resistant connection that holds up in a permanent install.

Trimless Magnetic Grilles

The micro-flange grille is held on by strong magnets and sits close to the ceiling for a clean, flush finish.

Easy Install, Sold As a Pair

The dog-leg mounting system is built into the frame, so no extra brackets are needed - tighten the front screws to lock each speaker in.
